

PERMIT PROCEDURES FOR OVERSIZE/OVERWEIGHT VEHICLES

The Department of Transportation is authorized to issue size and weight permits on a “Per-Trip” basis that authorizes the holder of such permit to one trip of travel between the designated points on the noted route during daylight hours. The permit is valid for three days and includes the vehicle leaving the terminal, loading the vehicle, delivering the load and returning to the terminal in one continuous move. The State’s base permit fee is \$30.00 with an additional \$5.00 charge when permits are sent via electronic equipment (e-mail, fax, etc...).

Applications for per-trip basis permits should be made online at:
